Local Travel Agency Share Fun Fundraisers for Non Profits

Indianapolis, IN (May 8, 2008), Van Horn Vacation LLC a local corporate and leisure business is partnering with nonprofits to succeed in meeting and exceeding their fundraising goals by expanding their world of travel. Nonprofits are constantly challenged with raising money. Historically they implement the same old way of raising money through selling candy and bake sales, and many burnout from the efforts. Van Horn's aim is to help as many qualified nonprofit organizations as possible reach their fundraising goals.

Carnival Cruise Lines would like to help raise money for your non-profit organization, association, church, etc. & will provide a "contribution" using a cruise as a fundraiser.

Benefits:

- The non- profit organization raises funds through a unique and exciting event!
- Participants enjoy a vacation and feel great about supporting their church, association, or favorite charity!
- Press releases & advertising of the cruise can bring recognition to your agency and the non-profit charity!
- Friends & family tend to vacation together. Gain access to potential new contributors who have disposable income!

Wouldn't it be nice to offer your members a program they see as a benefit for themselves and the organization they support? Contact us to see if your organization (nonprofit or corporation) meets the minimum requirements.
